Art.-No.	Description	Price
MS-09	EL sheet - light colour white - 60 mm x 30 mm light surface transformer with 3V battery compartment and on/off/blink switch	18,00 €
MS-10	EL sheet - colour green - 60 mm x 30 mm light surface transformer with 3V battery compartment and on/off/blink switch	20,00 €
MS-11	EL sheet - light colour white - 50 mm x 50 mm light surface transformer with 3V battery compartment and on/off/blink switch	20,00 €
MS-12	EL sheet - light colour blue - 22 mm x 100 mm light surface transformer with 9V battery compartment and on/off/blink switch	24,00 €
MS-13	EL strip - light colour white – 6,5 mm x 300 mm light surface transformer with 3V battery compartment and on/off/blink switch	20,00 €
MS-14	EL strip - light colour blue – 6,5 mm x 300 mm light surface transformer with 3V battery compartment and on/off/blink switch	20,00 €
MS-15	EL strip - light colour blue – 6,5 mm x 600 mm light surface transformer with 9V battery compartment and on/off/blink switch	24,00 €
MS-16	EL strip - light colour bluegreen – split electrode 6 mm x 8 m light surface, pluggable with 5 m cable transformer module 20 with on/off switch and 12V power supply (800 mA) dimnable by power supply	175,00 €
MS-17	EL strip - light colour white - 6,5 mm x 10 m light surface pluggable with 5 m cable, transformer module 20 with on/off switch and 12V power supply (800 mA), dimnable by power supply	195,00 €
MS-18	EL strip - light colour blue - 6,5 mm x 10 m light surface pluggable with 5 m cable, transformer module 20 with on/off switch and 12V power supply (800 mA), dimnable by power supply	195,00 €

## PRICE LIST

### sample kits

Art.-No.	Description	Price
MS-19	EL strip – light colour blue - 6,5 mm x 20 m light surface EL-Inverter 20 Watt, on/off switch, not dimmable, 230V connection	325,00 €
MS-20	EL strip – light colour white - 40 mm x 400 mm light surface pluggable with 3 m cable, transformer module 15 with on/off switch and 12V power supply (800 mA), dimmable by power supply	95,00 €
MS-21	EL sheet DIN A 4 – light colour white - pluggable with 3 m cable transformer module 20 with on/off switch and 12V power supply (800 mA) dimmable by power supply	149,00 €
MS-22	EL sheet DIN A 3 – light colour white - 285 x 409 mm light surface with 3 m cable, EL-Inverter 10 Watt, on/off switch, not dimmable, 230V connection	195,00 €
MS-23	EL sheet DIN A 3 – light colour bluegreen - 278 x 400 mm light surface with 3 m cable, EL-Inverter 10 Watt, on/off switch, not dimmable, 230V connection	195,00 €
MS-24	EL sheet DIN A 2 – light colour white - 409 x 580 mm light surface with 3 m cable, EL-Inverter 20 Watt, on/off switch, not dimmable, 230V connection	279,00 €
MS-25	EL sheet DIN A 1 – light colour white - 822 x 580 mm light surface with 3 m cable, EL-Manager 45 Watt (supply device with 6 different effects such as blink, swell, lightning, constant,.... and smooth speed regulation, 230V connection)	559,00 €
MS-26	5 EL stars – light colour white - 12 mm x 12 mm light surface with 300 mm cable length and transformer with 9V battery compartment and on/off/blink switch	30,00 €

## PRICE LIST

### sample kits

Art.-No.	Description	Price
MS-27	EL string – colour yellow - 2,3 mm Ø, 1 m length transformer with 9V battery compartment and on/off/blink switch	22,00 €
MS-28	EL string – colour bluegreen – 2,3 mm Ø, 10 m length with 3 m cable and plug, transformer module 15 with on/off switch and 12V power supply (800 mA), dimmable by power supply	155,00 €

Of course you can also order custom pattern for your application!  
Prices are from 1-10 pieces.

### EL sheets in DIN-formats, light colour: white, blue or bluegreen

finished size in DIN, light surface in mm

Art.-No.	Description	Price
ELD-5	DIN A 5 / 142 x 204	39,00 €
ELD-4	DIN A 4 / 204 x 285	69,00 €
ELD-3	DIN A 3 / 285 x 410	119,00 €
ELD-2	DIN A 2 / 410 x 580	195,00 €
ELD-1	DIN A 1 / 580 x 823	365,00 €

Above prices include 3 m cable (connection position selectable).  
EL-panels in other sizes and colours are available upon request.  
For other colours, we charge 10% surcharge.

## PRICE LIST

### transformers for EL sheets in DIN-formats

Art.-No.	Description	Price
ELI-803	transformer for DIN A 8, 3 Volt**	8,90 €
ELI-709	transformer for DIN A 7, 9 Volt**	9,50 €
ELI-612	transformer for DIN A 6, 12 Volt*	19,90 €
ELI-412	transformer for DIN A 4, 12 Volt*	34,00 €
ELM-612	transformer module 15 for DIN A 6 – DIN A 5, 230 Volt***	75,00 €
ELM-412	transformer module 20 for DIN A 4, 230 Volt***	95,00 €
ELI-3230	EL-Inverter 10 Watt for DIN A 3, 230 Volt****	95,00 €
ELI-2230	EL-Inverter 20 Watt for DIN A 2, 230 Volt****	125,00 €

\* with solder contacts, dimmable by input voltage from 0 – 14 VDC

\*\* with on/off/blink switch and battery connector

\*\*\* with on/off switch and 12V power supply (800 mA), dimmable by power supply

\*\*\*\* with on/off switch, not dimmable, 230V connection

## PRICE LIST

### EL strips, light colour: white, blue or bluegreen

EL strips in any length

Art.-No.	Light width	Total width	Price/m
ELS-6	6,5 mm	13 mm	15,00 €
ELS-10	10 mm	18 mm	22,00 €
ELS-22	22 mm	30 mm	39,00 €
ELS-40	40 mm	50 mm	59,00 €
ELS-50	50 mm	60 mm	79,00 €
ELS-100	100 mm	110 mm	125,00 €
ELS-150	150 mm	160 mm	165,00 €

Prices are valid for a length of up to 10 m. From 10 meters length, we make you an individual offer.

EL strips in other sizes and colours are available upon request.

For other colours, we charge 10% surcharge.

The prices include cut to length and 3 m connection cable, if the length of the light strip is at least 1 meter.

## PRICE LIST

### EL wire 2,3 mm Ø

	1 - 10 m	> 10 m	> 50 m	> 100 m	> 250 m
ELSch-23	8,00 €	6,95 €	6,25 €	5,89 €	4,99 €

Available colours: white / blue / yellow green / bluegreen / yellow / red / orange.

For the cut on the desired length we compute additionally 3.20 € per contact and 3 m cable.

From 500 meters, we make you an individual offer.

### EL stars

have an illuminated area of 12 mm x 12 mm and are available in white or blue. The cable distance is 30 cm. Available in chains to 100 pieces each.

Art.-No.	Quantity	Price
ELSt-12	< 50 pcs	4,00 € / pc
ELSt -12	50 - 250 pcs	3,60 €/ pc
ELSt -12	250 - 500 pcs	3,30 €/ pc
ELSt -12	500 - 1000 pcs	3,05 €/ pc
ELSt -12	1000 - 2500 pcs	2,70 €/ pc
ELSt -12	2500 - 5000 pcs	2,35 €/ pc

## PRICE LIST

### Supply units with 6 different effects

such as swell, blink, lightning, constant,... and smooth speed regulation

All units of the MP-EL series and the CM-PL 025 E have an overload protection and are independent of load and no load.

Art.-No.	technical data	Price
MP-EL80	EL-Manager 80W, supply device for surfaces up to 0.5m <sup>2</sup> <b>with galvanised power separation</b> voltage from 0-135V and frequency from 400-1000 Hz manually regulated connection to 230V AC/50-60 Hz fan, no short circuit protection	289,00 €
MP-EL300	EL- Manager 300W, supply device for surfaces up to 1.25m <sup>2</sup> <b>without galvanised power separation</b> voltage from 0-135V and frequency from 400-750 Hz manually regulated connection to 230V AC/50-60 Hz fan, no short circuit protection	395,00 €
CM-PL 025 E	EL- Manager 45W, supply device for surfaces up to 0.5m <sup>2</sup> <b>with galvanised power separation</b> voltage from 0-150V and frequency from 200-800 Hz manually regulated connection to 100V AC – 240 VAC/50-60 Hz no noise, short circuit protection, TÜV- and GS-marks	245,00 €

**For larger quantities we will send you an individual offer.**

**Delivery: Ex works. All prices subject to change without VAT**

**Shipping and handling are not included in the price. Price list valid from 01.10.2010.**

**We reserve the right to change at any time.**
